NAE Section Challenges Summary

When NAE chair Gordon England announced the creation of a \$100,000 Chairman's Challenge for Section 1 members, we could not have anticipated the response from membership. Thanks to his leadership, six more challenges were initiated. Below you will find a summary of all inactive challenges, as they have all achieved their fundraising goal. Thank you to the members who initiated section challenges of their own and to all those members who stepped up and made gifts to their participating sections!
